I. OBJECTIVES AND GOALS

The City of Springfield's Minority/Women Business Enterprise (M/WBE) Program is a set of specific results-oriented procedures, and has been formulated to further implement the City's policies. The main objective of the Program is to develop maximum feasible M/WBE participation in construction contracts and in the procurement of goods, services, and supplies. The goals for M/WBE participation and minority or women workforce on all construction projects and procurement of goods, supplies and services contracts shall be not less than twenty (20%) percent success in meeting this objective will be affected by the availability of minority and women businesses with qualifications required by the City of Springfield. Although the City strongly encourages the use of M/WBE, let it be known that nothing in this program shall be construed to require M/WBE participation.

II. DEFINITION, CERTIFICATION, AVAILABILITY AND QUALIFICATIONS OF MINORITY/WOMEN BUSINESS ENTERPRISES

A. Definition of Minority/Women Business Enterprise and Minority/Women Group Member

For the purposes of this Program, a "Minority/Women Business Enterprise" (M/WBE) shall be as defined by the Massachusetts STATE OFFICE OF MINORITY/WOMEN BUSINESS ASSISTANCE (SOM/WBA). In summary, an M/WBE is a business at least fifty-one percent (51%) owned or controlled by Minority/Women Group Members, or an individual contractor or professional who is a minority/women group member. A "Minority/Women Group Member" shall be as defined by SOM/WBA. Generally speaking, "Minority/Women Group Members" shall be permanent residents of the United States who are Black, Hispanic, Asian, Native American, Eskimo, Alaskan, or Cape Verdean.

B. Availability and Qualifications

An M/WBE shall be considered available if located within the Metropolitan Area. However, efforts to locate minority/women business enterprises need not be limited to this area.

An M/WBE shall be judged qualified by the City's Contract Compliance Officer if it can perform services or supply materials that are needed at a satisfactory level. Ability to obtain bonding by itself shall not necessarily disqualify an M/WBE as a sub-contractor.

III. PRE BID CONFERENCES, OBTAINING SOM/WBA DIRECTORY, AND TECHNICAL ASSISTANCE

1. Advertising in newspapers and publications that have a high readership of women and minorities;
2. Advertising in newspapers and publications that are owned by women and minorities;
3. Contracting predominantly women and minority organizations such as the New North Citizens Council, the Urban League, the Women's Division of the Chamber of Commerce, or the Black and Hispanic Chambers of Commerce.

"Good Faith" is defined as actions taken honestly, without fraud, collusion or deceit. Subterfuge, evasion, and inaction may constitute bad faith in the achievement of the MBR/WBE Program goals. "Best efforts" is what is reasonable in the circumstances. Best efforts do not require unreasonable, unwarranted or impractical efforts and expenditures of time and money out of all proportion to economic reality. Best efforts are equal to a good faith effort to meet one's obligations. Any vendor or contractor submitting a bid for a City of Springfield project is in effect making a promise to the awarding authority that they will be honorable and true in making a serious attempt to exceed their previous efforts to achieve the established goals. Tangible evidence that the bidder will make a good faith best effort will be submitted in its affirmative action plan.

IV. GOOD FAITH BEST EFFORTS DEFINITION

Technical Assistance will be available to prospective bidders by City's Purchasing Department and Contract Compliance Office as to preparing Minority/Women Business Enterprise bid/proposal forms. MBR/WBE can also be referred to other agencies such as State Office of Minority Business Assistance, Contractors Association, or other individuals for specific assistance in the areas of Joint Venture Assistance, Financing, bonding, estimating, etc.

B. Technical Assistance

A Pre-Bid Conference shall be held for all publicly bid construction contracts, and for other publicly bid contracts when determined appropriate by the Contract Compliance Officer. (1) above.
- (1) Suspend any payment for the, activity that should have been performed by the MBE/WBE pursuant to the contract, or

2. After contract awarded --

C. Sanctions for Noncompliance

"Minority/Women workforce" is the percentage of minority or women employee work hours of the total work hours in each job category. The General Contractor's minority/women workforce requirements relate only to that portion of the work of the General Contractor not included in filed sub-bid sections of the work.

B. Minority/Women Workforce

The 20% goal can be achieved in the following manner: (a) workforce of no less than 20% minority or women or a combination thereof or; (b) MBE/WBE contract participation of no less than 20% MBE/WBE of the estimated dollar value; or (c) any combination of (a) and (b) above.

A. 20% Goal Defined

COMPLIANCE DETAILS

5. Request for assistance from SOM/WBA; and
6. The subsequent documented follow-up of all the above and any other measures taken

- d. In any proceeding involving the imposition of sanctions by the City, no sanctions shall be imposed if the City finds that the Prime Contractor has made a good faith best effort to comply with the MBB/WBB Goals.

- f. No sanctions shall be imposed by the City until after notice has been given to the contractor and the contractor has had a reasonable amount of time to comply. Such reasonable time shall be three (3) days or as determined by the City. In addition, no sanctions shall be imposed until appropriate appeals procedures have been followed.
